RE: Application for the position of Social Development Specialist

Dear Sir,

I'm applying for the **Social Development Specialist** position, which appeared in Daily Dawn, 23rd October, 2022. I meet all the essential criteria for the role and feel to make an effective and immediate contribution to your team.

In addition to my extensive experience in the sector, I have been associated with Pakistan's leading social protection and community development programs. Abilities in designing and implementing community oriented projects in a scientific manner, have also looked after and successfully completing large scale resettlement projects in Sindh that helped me achieve desired results in highly challenging environments.

I would greatly appreciate your review of my enclosed resume and outlined credentials. I believe to be a valuable addition to Sindh Mass Transit Authority and your project goals. At your convenience, I am available for an interview or further discussion.

I look forward to your response.

Sincerely,

Mohsin Babbar
H # 1379, St. 14, Block C-1,
Multi Gardens, Sector B-17,

ABOUT ME

I have worked in public development, large-scale land acquisition and resettlement projects, media and communications, public policy research, and advocacy for 35 years. I oversaw the operation of Pakistan's most extensive CSR program under the umbrella of Thar Foundation, a subsidiary of Engro Corporation and Govt. of Sindh JV. I also have in-depth knowledge and experience working with mass media, digital platforms, corporate communications, and policy advocacy at the local, provincial, and federal levels. Also worked with ADB and the World Bank on flagship social protection programs such as the Benazir Income Support Program (BISP) and the Sindh Cities Improvement Program. Whilst associated with Pakistan's leading policy think tanks such as SDPI and others by successfully advocating for public health, water and education policies. Conception and implementation of research tasks, impact assessments, process evaluations, Govt. political advocacy, campaign work, awareness raising, and emergency and relief tasks. As an author and co-author of numerous research studies, surveys, and working papers on various development-related topics, I regularly write articles for national newspapers and serve as an analyst and commentator for TV channels.

OBJECTIVE

To deliver brilliance in my professional career on public development through utmost diligence, dedication, and passion by exercising my knowledge and expertise.
